**BROSS CENTER**  
EDUCATIONAL SERVICES

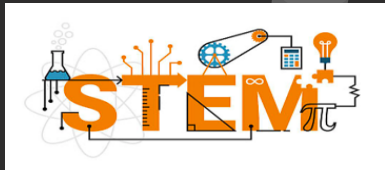

*Educational & Enrichment Services for ALL!*

1

### STEM

Students will be highly engaged in a virtual science, technology, engineering, or mathematics activity from their home. Sessions are 9 weeks. Enroll today to reserve your spot!

Session Price: \$275

2

### Virtual Instruction Preschool - 12th Grade

Your child's curriculum will be prepared for and taught by a licensed teacher. Coursework will include both synchronous and asynchronous student-paced instruction and materials. Virtual sessions will be daily using student engagement platforms that are compatible with the most popular audio/video conferencing tools.

Session Price: \$275 / month

3

### Special Needs Pod

The special needs pod is uniquely designed to address your child's IEP goals and objectives. Your child's teacher will review those goals and objectives with you and develop a plan for virtual instruction, speech, music, occupational, and/or behavior therapies, counseling services, and social skills groups. Students will also receive materials for home use, as needed, for services.

Session Price: Varies based upon needs.

4

### Ala Carte Pods

We also offer ala carte pods to supplement at-home learning. These pods meet once per week for 9 weeks with a minimum of 3 students and maximum of 6. Options include Social Emotional Learning, Executive Functioning, Study Skills, and Homework Support.

Session Price: Varies based upon needs.
